Description

Ferretti 620, a timeless example of Italian luxury and craftsmanship. This 62-foot yacht features spacious living areas, a sleek flybridge, and elegant interiors with high-end materials. Powered by twin MAN diesel engines, it offers smooth cruising at 25 knots and a top speed of 30+ knots. This yacht is perfect for entertaining or extended cruising. Three staterooms with en-suite bathrooms ensure comfort for guests. Own a piece of yachting excellence at an attractive price point. Contact us for more details and to arrange a viewing!

The Ferretti 620 can be described as a perfect synthesis between styling, naval architecture, and advanced mechanical solutions. The style is awe-inspiring and dramatic. Her seaworthiness is a perfect combination of high-speed performance and stability, credited to her low superstructure line. These design solutions result in a versatile yacht equally suited for comfort and entertaining. The exciting performance of the Ferretti 630 is generated by its powerful 1050 horsepower MAN engines which provide a top speed of more than 35 knots.
